

The Association of Grand Rapids Landscape Professionals in conjunction with CGIP Presents:

# 2019 Summer Field Day

Friday, July 26, 2019 (RSVP by July 17) • Calvin College, Grand Rapids, Michigan

## DAY AT A GLANCE

7:45am	Registration and Welcome
8:20	Orientation to Morning Workshops
8:30-11:30	Morning Workshops
11:30	Lunch & Trade Show
1:00-3:00	Afternoon Workshop
3:00-3:15	MDA Certification Sign-in

### 8:30 - 11:30 AM MORNING WORKSHOPS (rotations of one hour each-participants attend 3 sessions)

#### A.) Diagnosing Tough Turf Problems- Kevin Frank, Crop and Soil Sciences

A long time favorite of the Summer Field Day, Dr. Frank will help turf managers through the diagnostic steps needed to solving tough turf problems. The challenges of growing turf this past year will also be discussed.

#### B.) Calibration Workshop- John Stone, MSU Pesticide Safety and Education

This interactive and engaging session will guide participants in learning proper techniques for properly calibrating a wide range of common sprayers and spreaders. Calibration is vital so materials are not over or under applied.

#### C.) MDARD Regulatory Update- Lauren Walsh, MDARD Inspector, Pesticide and Plant Management

An informative update will cover the key areas of state regulations that impact members of the Green Industry. Participants will also have a chance to welcome Lauren as the area's new inspector.

### 11:30-1:00 LUNCH & TRADE SHOW

### 1:00-3:00pm AFTERNOON LABWALKS - (choose one)

#### D.) Turf Diagnostic Walk -Aaron Hathaway

Aaron's years of experience at the Summer Field Day site will show as he covers a diversity of turf issues, from cultural practices to current disease problems.

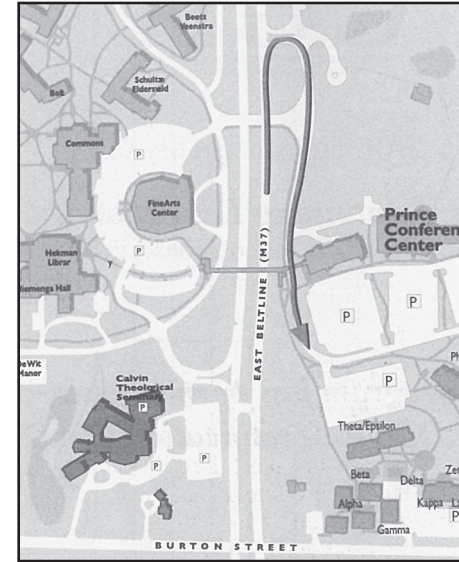

#### E.) Landscape Diagnostic Walk- John Stone

The challenges of maintaining trees, shrubs and landscape beds will be the focus of this walking tour with John. Cultural issues, plant selection, weeds, disease and insect pressures will give participants many options for learning something new.

### 3:00-3:15 PM MDA CERTIFICATION SIGN-IN
